Personal Reference for: Roxanne Bodsworth

To Whom it May Concern

Garlick Family Funerals have employed Roxanne as a Funeral Celebrant since April 2000. In this capacity she has been solely responsible for arranging, designing and celebrating individually tailored funeral and memorial services, including grave-side and cremation committal services and delivering tributes and eulogies. Her services have encompassed a broad spectrum of philosophies and beliefs, ranging from religious to semi-religious to humanist or atheist and have included many different aspects of spiritually, for a myriad of families and situations.

Roxanne brings a great depth of personal experience and understanding to her work. She has a very caring, sensitive and empathetic approach enabling her to establish an effective rapport with the families she works with. As a result, families are very happy with and most appreciative of the service and support she has provided.

As an employee Roxanne has been reliable, loyal, flexible and has, whilst working independently much of the time, also operated well as part of our team. She is an interesting, multi-faceted, intelligent person for whom I have enormous regard.

I have no hesitation in recommending her for any endeavour that she may undertake and wish her all the very best.

Yours sincerely
